AP English Language & Composition

Step 1

- Place a ★ next to five statements that you:
 - Agree/disagree with
 - Already know something about
 - Are wondering something about
 - Found interesting
 - Want to say something about

Step #2

- Write a comment you would like to share with your group about each statement in your notebook. Number them #1 - #5...

Step #3

- When you meet in your group:
 - Select a group member to go first.
 - The selected member reads ONE statement they marked but is *not* allowed to make any comment.
 - All other group members talk about the statement and make comments.
 - When everyone is done commenting, the member who chose the statement makes comments.
 - A second group member is selected, and the process is repeated until all cards are shared.
